

AMERICA'S KNITTED WICK

FIL-TEC™

Fil-Tec's unique patented knitted wicks are made in America.
We have innovated the best capillary flow in the industry today.

Ultra Core

100% Natural replacement for zinc core wicks.

Rigid Curl

Self-trimming replacement for less stable braided cotton/paper wicks.

Even Curl

A line of wicks developed for use in taper, pillars, votives, sticks and tea lights. A gentle curl that is self-trimming and reduces afterglow.

Our Candle Makers know the most important decision is wick selection.
